BIDET SEATS (ELECTRONIC)

- 🔗 We supply and install “Electronic Bidet Seats”
- 🔗 We supply and install Coway and Hyundai units predominantly

● We are Registered Building Practitioners with Unlimited Builders registration specialising in and boasting 20 years' experience in the home modifications for the aged and disabled.

● As builders, we have all the qualified trades on hand to complete home modification tasks

● We have dealt with the following organisations for many years. These include: DVA, SWEP, Care Package providers, TAC, NDIS and of course self-funding clients

as well as

- Upon request, we will provide a comprehensive check list & training guide to those OT's outside Melbourne Metropolitan. This is in order to ensure accurate and substantial level of information be furnished to us to prevent errors or the need for the OT to complete return visits

Why us?

As easy as supplying and fitting a Bidet Seat appears to be, that is certainly not the case and as such, time and care needs to be taken to ensure "all bases are covered". This is why such a comprehensive check list is required in order to save all parties a tremendous amount of time/money and frustration. You only need to read internet reviews on the bidet companies that supply only to confirm this. There are many traps for those new to bidet seats and the new regulations.

What we do:

- We will conduct site visits for qualified buyers in Melbourne Metropolitan Area to complete what is a comprehensive home audit & site measure directly relating to the bidet seat supply and installation.

This is for the purpose of providing a firm quotation and advising of a compatible bidet to suit the client's toilet suite.

- After the visit has been conducted and the information gathered, we will provide a comprehensive quotation compliant with all the required regulations.
